

**BOY SCOUTS OF AMERICA
TROOP 63 SUDBURY
Annual Driver Form**

Each year Troop 63 compiles a list of vehicles that parents might use to transport Scouts. We use this information to satisfy BSA and State requirements when creating safe travel plans. Please provide the requested information for any vehicle that might be used to transport Scouts to or from troop outings and other troop events.

Instructions: For the # of seat belts, please include the driver's seat belt. This info is used to determine the legal seating capacity. Also let us know if the car is registered with State of MA license plates, and verify that you currently have auto insurance coverage for the car.

Date: _____

Car # 1

Make: _____

Model: _____

Year: _____

Seat Belts: _____

MA plates? Yes: No:

Insured? Yes: No:

Car # 2
